Delhi based outdoor furniture company VETRA has gained expertise in fabricating furniture that suits all weather conditions. We manufacture all styles and designs of outdoor furniture in wicker, strap and teak. We also have a range of cane furniture which can be used indoors as well as in covered outdoors. We work with the highest quality teak, aluminium, woven textiles all manufactured with passion for excellence.

With years of experience behind us, we understand the market very well and hence are a responsive company that adapts to customer feedbacks and develops products based on the changing demands. Vetra designs can be used all over the world and under any weather conditions. The strong frames, UV-resistant materials and quick drying cushions can stay out in blatant sun, heavy rain or frost.

We have a large team of skilled labour, talented designers and highly qualified and experienced marketing and sales department to take care of the production, market demands and after sales services. Our in house development and research team is able to work closely with our designers on solutions and innovations, this makes all the difference in terms of quality and function. Our furniture has touched most of the luxury and prestigious property's all over India and a few in Europe too. Setting benchmarks of excellence in this field, VETRA has always focused on creating masterpieces that reflect magnificence, luxury & comfort.
