ABOUT US

A PASSION TO STAND OUT

Vetra has been a part of the outdoor furniture market for many years, however keeping in mind the change in demands, we introduced our synthetic wicker line in 2008. We have supplied furniture to numerous hotels, restaurants, cafes and other public places around the world.

Since we are the manufacturer ourselves every particular desire and requirement can be customized and made according to your personal needs. We can match our craftsmanship with your decor... Our whole and soul mission is to add value to the place where you unwind and relax.

The fibre used by us is dyed, high density polyethylene fibre thus our furniture can sustain large temperature differences and change of seasons. Materials used in the production of our furniture are totally environment-friendly and recyclable. The USP for our furniture is that it is maintenance free, just basic cleaning will keep it looking sharp for a lifetime. Our pieces are long-lived in quality, design and durability.

The handicraft premises are becoming modern and innovative. We manufacture high quality synthetic wicker for outdoor furniture that gives the premise a very simple yet sophisticated feel. The fibre used by us is dyed, high density polyethylene fibre which ensures that our furniture can sustain large temperature differences and change of seasons. Materials used in the production of our furniture are totally environment friendly and recyclable. The USP of our furniture is that it is maintenance free - just basic cleaning will keep it looking sharp for a lifetime.

Teak is often considered the classic choice for outdoor. Teak furniture can remain outdoors in any climate year round, and can be left unfinished or protected. Plantation teak wood can be considered eco-friendly due to its long life expectancies Teak does not need to be protected. It is a unique wood that if left in its natural state, is virtually maintenance-free. Teak can be left outside year round, surviving even the most extreme weather conditions.

To add glamour to your outdoors, we have launched our new sunbrella strap collection. So get ready to deck up your outdoors with latest trends that are dominating exterior living worldwide. Taking cues from distinct exteriors, the range is available in variety of colours to compliment various preferences and aesthetics.

DINING

A perfect setting for a perfect life.

We have a wide range of dining sets which are luxurious, elegant and stylish. While designing our furniture, we always keep in mind the comfort and convenience of our customers, hence some of our designs include stackable chairs which can be stored easily during the off-season. The pure and simple designs fit into any environment and enhance the surroundings while the classic features give you evergreen, modern and stylish furniture.

Durability is a serious quality when you're talking about furniture that must withstand all weather conditions. That's the reason we take great care of assembly techniques and finishes during the manufacturing process and also later, so that the furniture serves you beautifully for years to come.

LOUNGERS & UMBRELLAS

Take the plunge with panache

At Vetra, we have a wide range of designs for your poolside; sun beds, deck chairs, sun loungers, recliners, couches, to unwind and relax. These stylish pieces are also available with a hood/shed to offer you protection while basking in the sun. Our aim is to give you all the benefits to enjoy the long and bright summer days. Nothing can be more special than a luxury patio to relax in an ambience of comfort and magnificence.

Shine in the perfect shade

We have a wide range of umbrellas in various styles and sizes. Our umbrellas are built using the best materials to last for years to come. Several mounting options are available; Choice of rope / lever and gear systems.

Wind proof Umbrella : These umbrellas are designed to withstand harsh wind weather. The multi layers in the umbrella help bifurcate the wind, keeping it stable and sturdy.

Side Pool Umbrella: Our side pool umbrella helps save space as well as lends a stylish look to your environment.

Giant Umbrella: The giant Umbrella size varies between 12-30 feet which helps cover a large area. Now it is possible for you to cover your restaurant/café with one umbrella instead of placing many small umbrellas. It can ideally be used to cover open-to-sky restaurants and bars.
