# About Us

Vetra, a Luxury Outdoor Furniture brand was established in 2008. The manufacturing unit & Corporate office is in Noida and its experience center is in New Delhi.

Vetra is the leading manufacturer for all styles and designs of Outdoor Furniture in Wicker, Strap & Ropes and Teak. The brand also specializes in making furniture in Cane which can be used in semi covered outdoors or indoors.

The brand has its own manufacturing unit, a large team of skilled workers and talented designers who work together on new designs and innovations.

Vetra's premium furniture has touched most of the luxurious hotels, resorts, cafes, restaurants and homes all over the globe.

Choose from our wide range of accessories which includes the beautiful floor lights, planters and side-tables to add glamour to your space!

Come *Rediscover Comfort* with us and add **STYLE, STATEMENT** and a **MEANING** to your outdoors!

---

# *Fusión*

The fluffy strap in 45mm brown is woven on a classic black matte powder coated aluminium frame. The chair has a wider profile and a large seat. This dining chair is fused with a four-seat rectangular table with an AGL top.

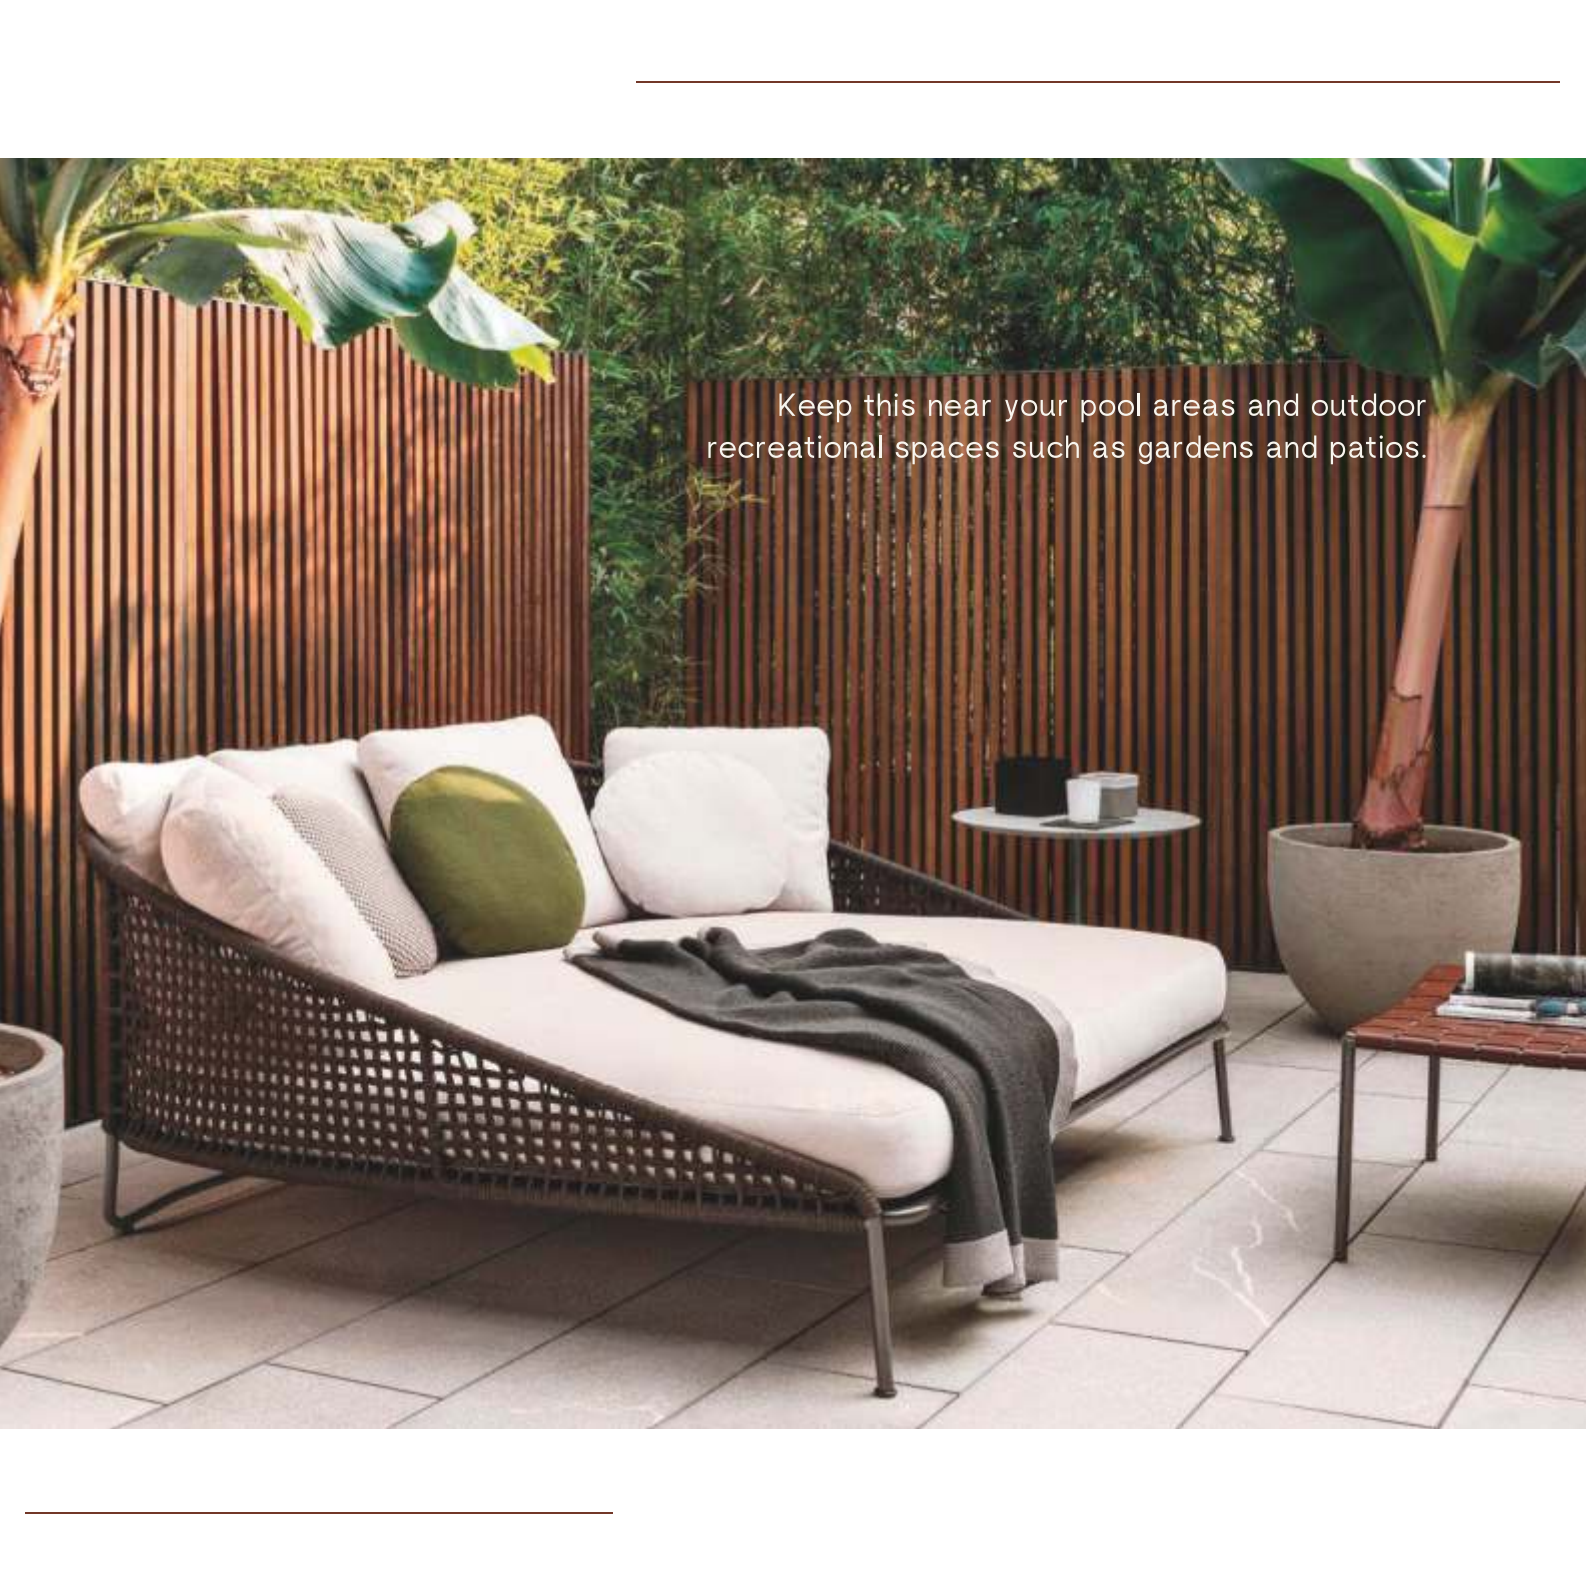

# SUN LOUNGERS

Sun loungers or sunbeds are good fit for resting and sunbathing.

---

A photograph of a modern outdoor lounge area. The central piece is a dark brown wicker daybed with a white cushion and several pillows, including a green one. A grey blanket is draped over the end. To the right is a small round white table with a black and white object on it. Further right is a rectangular coffee table with a red top and black legs. The background is a wall of vertical wooden slats, with lush green foliage behind it. Two large potted plants with broad green leaves are visible on either side. The floor is made of light-colored square tiles.

Keep this near your pool areas and outdoor recreational spaces such as gardens and patios.

# CASUAL SEAT

---

A casual low seat designed for relaxation and informal gatherings. It is typically a low seating option that allows people to sit close to the ground and enjoy the surrounding environment. The seat is heavily cushioned and emphasizes comfort and simplicity. This can be suitable for your indoor area or outdoor backyard patios, decks, balcony area.

COMPOSITION- TEAK WOOD, ALUMINIUM WITH ROPE

# CLOSE TO NATURE - BENCH

---

A close-to-nature bench is a type of outdoor seating that is designed to blend in with its natural surroundings. This bench emphasizes simplicity and functionality, it comes with a comfortable seating along with planters. The bench is designed to fit seamlessly into the natural environment, with curves that mimic the natural form.

COMPOSITION- TEAK WOOD, ALUMINIUM WITH ROPE
